

West Grinstead Swimming Academy – Covid Precautions and Rules of attendance

- *If a pupil feels unwell, or their accompanying guardian, they must **NOT** attend the lesson.
- *Pupils will be asked to arrive “pool ready” with swim suit under their clothes, which will hopefully be an easy outfit, a onesie being perfect, and flip flops.
- *Please ensure you keep your belongings with you at all times.
- *Pupils must use the toilet, blow their noses and wash their hands thoroughly before entering the pool
- *Hand sanitiser is at the entrance. Soap in the bathroom. 20 second hand wash regime in place.
- *Teacher will be in the pool with the pupils
- *Teacher will wear a face shield
- *Teacher has hand sanitiser on poolside.
- *Chlorine kills covid. The equipment, teacher, pupils are therefore safe in the pool water, which is state of the art, with a probe, which constantly tests and doses the pool with chlorine and PH to ensure the safety of the pupils/teacher.
- *Lesson time will be 25 minutes duration providing a short time for pupils to dress and leave.
- *Teacher is equipped with a specialist anti-viral spray on door handles, light switches and surfaces during the few minutes between lessons. It is a special spray. Within 30 seconds it has disinfected and dissipated. There is no need to wipe any surfaces.
- *One spectator only to each pupil. Siblings can attend, but must not wander around.
- *Spectator must wear a face mask/covering.

Please be assured we now have maximum safety precautions in place.
